

**Spring Greetings from Camp GuilRock**  
**“Discover Creation, Experience God, Grow in Faith”**

As Spring 2006 enters into its glory here in this part of Rockingham County, we wish to thank all the churches and individuals and families in both the Greensboro and Northeast districts who continue to support our camp. We have been blessed immensely by your prayers and gifts, and ask your continued support as we engage in Christian outdoor ministry.

Our camp workdays have gone well! We have done some major repair and upgrade work at the camp parsonage, lodges, and pavilions. We are in the process of preparing the pool for the summer, and hopefully will have it open over Memorial Day weekend. Thus far we have had groups and individuals from Mt. Pisgah UMC, Woodmont UMC, Gethsemane UMC, Bethlehem/Salem UMC, Madison UMC, Guilford College UMC, West Market Street UMC, St. John's UMC, Muir's Chapel UMC, Main Street UMC, and New Millennium Christian Center participate in our work days. Many, many thanks to all of you for your support!!

Eagle scout projects completed recently include a new flagpole near the swimming pool and first aid boxes and recycle bins in all camp facilities. Thanks to the Boy Scouts for continuing to enhance ministry here at GuilRock.

We are in the process of planning a day camp for our “neighborhood” kids for the 3<sup>rd</sup> week in June. Due to grant money and gracious contributions from many in our two districts, we are able to send 35 children to camp for a whole week absolutely free of charge! Thanks to everyone who has made this possible! Many of these children would not be able to attend camp otherwise, so your gifts are greatly appreciated. If you or someone at your church would like to help during this week (as a one-on-one buddy, craft person, lunch person, etc.) call the camp office at 342-1951, and we'll give proper direction to you.

We are in the process of completing work on the new office, and this should be finished soon. We have placed the rafters, will soon be completing the wiring, placing the floor, paneling the walls and insulating the ceiling and walls. Thanks to Blue Angel, Bobby Jones, and the Rev. Dan Ramsey for arranging help to allow this work to happen.

Please know that we appreciate your gifts and thoughts and prayers. We feel that Camp GuilRock is vital for Christian ministry in the 21<sup>st</sup> century because we all need a serene and safe “sanctuary” to place ourselves from time to time. May God continue to bless you and your various ministries, and may we all look to Christ as we transform the world for His purposes.

Blessings,  
Mark Christy  
Director, Camp GuilRock
